Now that "Spring has Sprung" we are going to trial an evening club session.

From Monday 15th April the club will be open from 7.00pm. The usual club sessions (Saturdays and Tuesdays at 1.00pm) will remain.

Remember as club members you can choose to play on the terrain at anytime, so feel free to get together and pop down at your convenience.

We are getting more juniors interested in joining our numbers. Once we have enough we will be starting a Juniors Session at 12.00 on Saturdays

=====

Sally attended the National Junior Championships and defended her title.

Unfortunately she didn't retain it but played very well and made Parley Proud!

well done Sally!

We have bought a shed!!!

Ade and Tom will be erecting it over the next couple of weeks and then we will have our own storage area for spare boule, circles, scorers and the lights.

Entry to the shed will be via a combination padlock and members will be given the code as necessary.

This is a really big step for the club and will hopefully make playing easier and not so dependent on the availability of a few members

=====

If you would like any coaching or help on a specific area of your game please contact Tom who will happily meet with you at a convenient day & time

=====

If you are on Facebook please "like" and "follow" our page
